"As a Naval Aviator I understand the challenges these families face in support of their military member. WOASF works to provide college scholarships to dependents of Naval Aviation to help them realize their educational goals. I applaud the work of Wings Over America Scholarship Foundation and encourage others to support this worthy foundation."

President George H. W. Bush

Wings Over America Scholarship Foundation, formerly Wings Over the Atlantic, was established in 1987. Our mission is to provide college scholarships to dependent children and spouses of US Navy service members in Naval Aviation – Officer and Enlisted, active duty, retired, honorably discharged or deceased. Recipients are selected on the basis of scholastic merit, community service, extracurricular activities and character.

WOASF awards nearly 50 scholarships annually and has awarded over \$1,200,000 since 1987.
